You must try to resolve your problem with a staff member before you submit a formal complaint. The only exception is when appealing the results of a disciplinary hearing.

Who did you talk to (name, title)? Grievance Investigators When? 4-24, 26-2018
 What was their response? "Grievance #2018048095 was returned unprocessed to you on 3-7-2018"
 What action was taken? Step 1 & 2 Grievances stolen or deliberately misplaced...

State your grievance in the space provided. Please state who, what, when, where and the disciplinary case number if appropriate

I Jamon N. Hestand #1343536 from Texas Department of Criminal Justice, being presently incarcerated in Michael Unit in Anderson County, Texas declare under penalty of perjury that the foregoing is true and correct...

Everything I claimed in Grievance #2018048095 is true. I turned the Step 1 Grievance in on 3-5-2018 regarding illegal activities against by T.D.C.J. employees" me, it was returned unprocessed to me on 3-7-2018 improperly screened for being out of time... Grievance Investigator Brittani F. Rodriguez counted days where Grievances are not collected or investigated in the 15 day time limit ~ I tried to explain that and turned the Grievance back in and it was improperly screened again by Grievance Investigator Melissa B. Vixha and returned to me unprocessed for the same wrong reason... I was also off the Unit for about 7 days after the crimes against me on 2-13-2018 but that is besides the point...

I wrote a Step 2 Grievance and made a copy of it. I had already sent a copy of the Step 1 to a Law Firm. So I turned the Original Step 1 and Step 2 in on 3-12-2018. I sent the copy of my Step 2 to the Law Firm again to review along with the Step 1. I waited over 40 days and got no notice of extension so I got concerned and wrote the Unit Grievance Office asking them where Grievance #2018048095 is. I was told the Step 1 was returned to me unprocessed ~ there was no mention of the Step 2 Grievance --- I spoke to Grievance Investigator Brittani F. Rodriguez and she tried to figure out what happened to my Step 2... She could not find the Step 2 Grievance. Both Original Step 1 & 2 vanished without a trace... Obviously, it was stolen or deliberately misplaced to cover up illegal activities against me on 2-13-2018. Nothing else makes sense...

Grievance Investigator Britanni F. Rodriguez gave me a copy of the missing Step 1 but the Law Firm Tru in contact with has copies of the Step 1 & 2 Grievances...

* I need full relief for the illegal activities mentioned in Grievance # 2018098095 that includes criminal charges being filed on those who injured me deliberately and violated my Federal Rights, serious money damages payed to me, injunctions to stop bad behavior by prison staff, and public awareness of what is really going on in T.D.C.J. The Office of Inspector General needs to take action and give me my victims' rights as stated in State and Federal Criminal Procedures & policies...

Action Requested to resolve your Complaint.

* Full relief as stated in this Grievance... Victim's Rights to be given to me properly... Grievance # 2018098095 to be Investigated properly... No more Crimes.

Who did you talk to (name, title)? Low Library When? 11-13-2018
 What was their response? You have utilized the maximum 5 one ounce letters per month for general use.
 What action was taken? My First Admendment Right of Freedom of Speech & Association Violated...

State your grievance in the space provided. Please state who, what, when, where and the disciplinary case number if appropriate

The restriction on Indigent Correspondence for Personal or General use is completely unconstitutional at only 5 one-ounce domestic letters per month or only 5 .50¢ stamps a month. This very clearly violates my First Admendment Right to Freedom of Speech and Association. It stops me from writing, speaking, expressing myself, or interacting with other people around the world such as family, friends, Religious Groups, Human Rights Organizations, loved ones, potential allies, my Union "IWH", Civil Rights Groups, etc.

Only 5 one-ounce domestic letters per month for Personal or General use is nowhere near enough to satisfy the First Amendment Right to Freedom of Speech and Association. This restriction has been in affect for years now in the Texas Department of Criminal Justice and it clearly violates my rights and the rights of all Indigent incarcerated persons in T.D.C.J. and has nothing to do with the Prisons need for security or administrative ease. It is a serious form of major oppression & torture with which has caused me extreme mental & emotional pain and suffering and has added to the agitation of my mental illness and has suppressed my Freedom of Speech and Association non stop for years now which also violates my Human Rights. It's wrong for the Leaders of Texas & T.D.C.J. to violate Human & Civil Rights to save money. Leaders such as ex-Governor Rick Perry, Lt. Governor Dan Patrick, CJD Director Larie Davis, ex-Executive Director Brad Livingston, Executive Director Bryan Callier, and Texas Board of Criminal Justice Dale Wainwright who have violated and/or continue to violate Human & Civil Rights pertaining to this issue in this complaint...

Who did you talk to (name, title)? Every Officer on duty When? from 6-28-2018 to 8-22-2018

What was their response? They signed the Activity Log and left / They Skipped your section

What action was taken? Grievance Staff deliberately not picking up grievances systematically.

On A-Pod of 12 Building from 6-28-2018 to 8-10-2018 when I got moved, Grievance Staff deliberately did not pick up Grievances on the following days and time after time either signed the Activity Log and left the Pod without picking up Grievances and writing on the Activity Log that they checked off the Grievance boxes when in fact all they did was leave which is perjury on an Official document: On 6-28-2018, 7-6-2018, 7-10-2018, 7-11-2018, 7-12-2018, 7-13-2018, 7-25-2018, 7-26-2018, 7-27-2018, 8-2-2018, 8-7-2018, 8-8-2018, and 8-10-2018...

The same thing has been happening here on 12 Building E-Pod on: 8-13-2018, 8-14-2018, 8-21-2018, and 8-22-2018...

This illegal behavior violates my Protected Conduct of filing Grievances, violates my due process rights, interferes with my access to courts rights, etc. It is a conspiracy against the rights of me and the mentally ill housed here. It is an attempt to obstruct justice. It is perjury to put a false statement on an Official documents. They did act under color of State Law. ~This illegal behavior increases my punishment above & beyond what the State Court sentenced me to on December 2nd 2005 and leaves me & others who are mentally ill at risk of substantial personal injury or could cause other serious or irreparable harm and therefore it is another form of cruel & unusual punishment being perpetrated against the mentally ill and also violates my equal protection of the law rights and is being very deliberately with evil intentions & evil motives. It must be stopped.

Federal Law to be Harmed. Denial to stop in the Grievance Office... Stop abusing mentally ill. Videos reviewed and evidence compared to Activity Logs for accuracy and saved for litigation evidence. Grievances actually picked up for real every day properly. Crimes to stop!

Who did you talk to (name, title)? Warden Charles O. Meador & CGO J. Smith When? 7-13-2018 & 8-13-2018
 What was their response? No policy violation noted / No evidence was found / etc.
 What action was taken? Criminal activity by mailroom staff covered up by Meador & J. Smith.

State your grievance in the space provided. Please state who, what, when, where and the disciplinary case number if appropriate

Grievance # 2018134077 was not investigated properly at all. The responses from both Warden Charles O. Meador and the Central Grievance Office staff J. Smith "whose name I can hardly read for sure & who did not put their Investigator ID # on the Step 2" are completely false attempts to cover up illegal behavior in the mailroom here on Michael Unit.

Since there's no Investigator ID # on the Step 2 I have to wonder if it was ever even processed at Step 2 or if this is another further attempt to cover up crimes. But either way it's still an attempt to cover up crimes against me. These individuals are conspiring against my rights et al. to cover up major violations of my Federal Rights being perpetrated by Michael Unit mailroom staff.

My Human & Federal Rights are being violated by C.I.D. Director Lorie Davis and T.D.C.J. Executive Director Bryan Collier and Texas Board of Criminal Justice Chairman Dale Wainwright while acting under color of state law by deliberately conspiring together to allow a corrupt Grievance System that constantly violates Federal & State Law by interfering with access to courts, obstructing justice, conspiring against inmates rights, violating Protected Conduct of filing Grievances, cruel & unusual punishment, deliberate indifference & gross negligence, etc.

Escort Staff on 12 Building Keep deliberately denying me my medical appointments non-stop every week. I have been trying to get to medical since 6-15-2018 and had appointments on 7-11, 12, and now 14-2018 and that's just the ones I am aware of so far. It's real messed up because it is a conspiracy against my rights by these staff while acting under color of state law.

I need to get to medical immediately without interference, retaliation, and harassment by staff who violated my rights and injured me on 2-13-2018 that I still haven't got my victim's rights for and also whom I should even be anywhere near or their friends or allies. This campaign of illegal harassment needs to be stopped immediately and I do need my victim's rights for the crimes against me on 2-13-2018 and transfer out of Anderson County immediately.

I need my medical treatment and attention right now!

I want full relief for this illegal behavior including money damages, injunctions, prosecution for crimes against me, transfer out of Anderson County, my Victims' rights for crimes against me by Staff on 2-13-2018, etc.

Who did you talk to (name, title)? Grievance Office/Warden Kempt When? 7-31-2018/4-5-2018
 What was their response? ~no substantiating evidence~ etc no action is warranted
 What action was taken? Warden Kempt deliberately lying & leaving me in danger and my family...

State your grievance in the space provided. Please state who, what, when, where and the disciplinary case number if appropriate

Grievance # 2018173565 is an Emergency Grievance that's supposed to be co-
ordinated with the Office of Inspector General which obviously was avoided to
cover up Michael O. Casteel's criminal behavior. There's plenty of evidence on
video with the security cameras and plenty of witnesses to be found that were
on that section on 12 Building A Pod 3 Section at the time of the incident but
no effort was even taken to find any of them or question any of them for that
matter which is clearly part of any serious investigation into criminal behavior... To
deliberately avoid the Office of Inspector General shows evil intentions & evil
motives and is clearly part of the conspiracy against my rights here on Michael

My Human & Federal Rights are being violated by Warden Kempt while acting

beyond what the State Court sentenced me to on December 2nd, 2005 specifi-
cally by conspiring against my rights et al, depriving me of my rights under color
of law, Obstructing Justice, falsifying official documents to cover up criminal behavior,
ignoring Federal & State Law and AD-03.82 by deliberately avoiding the O.I.G. about
Grievance # 2018173565, lying about the evidence, violating my due process rights
by purposefully interfering with my "Protected Conduct" of filing Grievances, cruel &
unusual punishment by torturing me by causing me severe mental pain & suffering
and leaving me and my family at serious risk of danger & injury or some other serious
or irreparable harm deliberately, violating my equal protection of the law rights and
exacerbating my mental illness to the extreme, interfering deliberately with my
attempts to exercise my access to courts rights, etc.

The criminal conspiracy against my rights needs to be stopped right now. Requested actions on Grievance # 2018173565 need to be granted to me immediately without any further interference from T.D.C.J. Officials & Staff here on Michael Unit or elsewhere.

Grievance Investigators Margaret M. Price, Monte P. Nabors, and Tammy L. Rainey et al are deliberately ignoring Fedrol & State Law and BR-03.77 & AD-03.82 to cover up a massive ongoing violation being perpetrated illegally by T.B.C.J. Chairman Dale Walnwright, C.I.D. Director Lorie Davis, and T.D.C.J. Executive Director Bryan Collier in a very serious conspiracy against the rights of all inmates in Texas Department of Criminal Justice prisons in Texas in order to directly interfere with all access to courts rights and violate the Protected Conduct of Filing Grievances to Obstruct Justice on purpose illegally & unconstitutionally with evil intentions & evil motives as they deliberately deprive us inmates of our rights under color of law to cover up massive corruption systemwide.

The only reason to hide the Offender Grievance Operations Manual is to hide the contents of it due to its unconstitutionality. All manuals for each & every Department in T.D.C.J. that directly affects prisoners systemwide on a regular basis with their Human & Federal Rights and even their State Rights must be in the Law Libraries Systemwide. To hide a manual of such value is a direct violation of Due Process of Law, Access To Courts Rights, and constitutes cruel & unusual punishment by its very real possibility of putting prisoners like myself in situations where we are at substantial risk of personal injury or some other serious or irreparable harm due to the withholding of serious knowledge that directly pertains to our Human & Federal Rights.

My Human & Federal Rights are now also being violated by Grievance Investigators Margaret M. Price, Monte P. Nabors, and Tammy L. Rainey et al while acting

under color of State law which very greatly increases my punishment above & beyond what the State Court sentenced me to on December 2nd 2005 specifically by conspiring against my rights et al, depriving me of my rights under color of law Obstructing Justice by ignoring Federal & State Law and BP-03.77 & AD-03.82 to cover up major violations of the same Laws, falsifying records, interfering illegally with access to courts and violating my Protected Conduct of Filing Grievances, Using a campaign of retaliation & harassment against me for me pursuing legal relief, Cruel & Unusual punishment by torturing me and causing me severe mental & emotional pain & suffering by non stop violating my Human & Federal Rights on a regular basis, etc.

Once again Grievance Investigator Tammy L. Rainey has completely ignored Federal & State Law and BP-03.77 & AD-03.82 deliberately in a conspiracy et al against my rights. Grievance #2019002597 is clearly an Emergency Grievance as was #2018186343 --- both of which were supposed to be coordinated with the Office of Inspector General.

My Human & Federal Rights are being violated by Tammy L. Rainey et al in exactly the same ways mentioned in Grievance #2019002597. These corrupt Grievance Investigators are using a campaign of harassment & retaliation against me because of my attempts to exercise my access to courts rights to obtain legal relief for crimes & violations against my Federal Rights that have been perpetrated against me by numerous prison officials & staff here on Michael Unit especially from February 13th 2018 up til now and ongoing.

Once again these Grievance Investigators "Margaret M. Price, Tommy L. Rainey, Monte P. Nobors, and Melissa B. Vixtha et al." have deliberately refused to correctly process and investigate my complaints with the Office of Inspector General when it is more than obvious that these complaints meet all Emergency Criterion as outlined very clearly in AD-03.82 and Federal & State Law. ~ Monte P. Nobors has no business investigating a complaint about himself but it has reached the point where all the Grievance Investigators here on Michael Unit are very deliberately conspiring against my rights non stop et al especially since the crimes against me on February 13th 2018 up til now & ongoing. State your grievance in the space provided. Please state who, what, when, where and the disciplinary case number if appropriate

These Grievances were not processed correctly, on purpose to once again try to cover up an ongoing crime & major health hazard and also violations of Federal & State Laws. Grievance Investigators Tammy L. Rainey, Monte P. Nabors, Margaret M. Price, and Melissa B. Vixtha et al Keep violating my Protected Conduct of filing Grievances non-stop which plainly violates my access to courts rights which they do deliberately, with evil intentions & evil motives to obstruct justice regarding a major health hazard and major violation of Federal & State Law. They also ignore AD-03.82 as if it doesn't even exist so not only do they disregard the Law but they also do not care about Board Policies & Administrative Directives within T.D.C.J. that are based upon Federal & State Laws such as BP-03.77 and AD-03.82. which shows clearly that these complaints are supposed to be coordinated with the Office of Inspector General & the Health Services Division...

Monte P. Nabors once again investigated a complaint about himself again but all these Investigators are completely corrupt & unethical to the point of madness. These are real live criminals acting under color of State law which also violates the rights of taxpayers who pay for these individuals to break Federal & State Laws non-stop and violate Human & Federal Rights of incarcerated persons on a regular basis which only makes people worse than ever before as they are violated & treated inhumanely on a continuous basis. These criminal State employees are seriously violating my Human and Federal Rights to the extreme as they make filing Grievances seem to be a total waste of time except for the Prison Litigation Reform Act that makes it necessary and documentary evidence. Ignorant people like this are the reason Conditions are so bad because when you try to get legal relief to resolve complaints, these lawbreakers go way

You must try to resolve your problem with a staff member before you submit a formal complaint. The only exception is when appealing the results of a disciplinary hearing.

Who did you talk to (name, title)? Grievance Office When? 4-10, 12, 14-2018

What was their response? Grievable Time period has expired.

What action was taken? Grievance # 2018181438 & 2019003975 not processed correctly, on purpose.

State your grievance in the space provided. Please state who, what, when, where and the disciplinary case number if appropriate

Grievance Investigators Margaret M. Price, Monte P. Nobors, Melissa B. Vixtha, and Tommy L. Rainey et al are non stop conspiring against my rights while acting under color of State law. They all refuse to process Emergency issues correctly and so they avoid the Office of Inspector General deliberately regarding actual crimes and harassment & retaliation for exercising access to courts rights. They ignore Federal & State Laws and also disregard Board Policy-03.77 & AD-03.82...

Then here goes Monte P. Nobors investigating a Grievance that is partially about himself but now the complaint regards all the Grievance Investigators who are here on Michael Unit currently who have been on a rampage violating my Protected Conduct of filing Grievances non stop especially since February 13th 2018 up til now & ongoing. These individuals forementioned et al are violating my Human & Federal Rights which very greatly increases my punishment way above and beyond what the State Court sentenced me to on December 2nd, 2005 specifically, by conspiring et al against my rights, depriving me of my rights under color of law, Obstructing Justice illegally, falsifying documents, violating my Federally Protected Activities, using a "Campaign of Harassment & Retaliation" against me for trying to exercise my access to courts rights, violating my due process by deliberately interfering with my Protected Conduct of filing Grievances, leaving me in a situation where I am at risk of serious injury or some other harm intentionally, torturing me with very cruel & unusual punishment by violating my Human Rights and causing me severe mental & emotion pain & suffering which greatly agitating my mental illness and violates my equal protection of the law rights, etc which they do with very evil intentions and evil motives deliberately and hatefully...

These Grievance Investigators have no business investigating complaints that are about themselves and their own criminal behaviors. They are a complete waste of taxpayers money and they make the whole Grievance System corrupt & useless. As outrageous as this is I know the Leaders of this Prison System C.I.D. Director Lorie Davis, Executive Director Bryan Collier, and T.B.C.J. Dale Wainwright are fully aware of the corruption in the Grievance System all these years yet they do nothing to fix the problem that is a major part of the reason there is so much litigation against T.D.C.J. officials & Staff which cost taxpayers money for their deliberate indifference & gross negligence regarding a massive non-stop violation of access to courts rights & due process rights, etc. etc.

Action Requested to resolve your Complaint: * Protection from all Michael Unit Grievance Investigators. Grievance # 2018181438 & 2019033175 processed correctly & coordinated with the O.I.G. and all my requested actions granted. Abolish Grievance System & replace with Independent Oversight.

Who did you talk to (name, title)? Pam Pace & CGO-I0352 When? 10-24-2019 / 12-5-2019

What was their response? Negative

What action was taken? My Protected Conduct of Filing Grievances Violated & Medical Needs Denied...

State your grievance in the space provided. Please state who, what, when, where and the disciplinary case number if appropriate

Pam Pace and Central Grievance Officer I-0352 have both violated my Protected Conduct of Filing Grievance #2019168957 in a conspiracy against my rights (which has been ongoing since February 13th, 2018 up til now and ongoing) by deliberately obstructing proper medical care, leaving me in a situation where I am being tortured physically/mentally/emotionally/etc., a campaign of harassment, denying my legitimate requested actions on purpose, investigating my Grievances even though I've asked for protection from them many times, not resolving any of my Grievances they have been involved in, lying on official records, etc. while under color of state law which also greatly increases my punishment above & beyond what the State Court of Texas sentenced me to on December 2nd, 2005...

Grievance #2019168957 was not investigated properly, not resolved, and none of my requested actions were granted at all! I'm still injured right now as I already explained in that Grievance. The Grievance System is not up to Federal Standards as it should be since the Prison Litigation Reform Act demands prisoners exhaust all remedies before filing a 1983 lawsuit which means Grievances are Protected under Federal Law so these individuals have no right to violate my due process rights or access to courts rights whatsoever as they have done in Grievance #2019168957 and throughout my entire Grievance File since February, 13th, 2018 up til now.

Both of these individuals give responses that avoid the main topics of the complaint or make excuses that make no sense in reality... Their responses give no resolution to the complaints... they don't do anything at all to solve the complaints!

my medical records until ~~January 23rd, 2020~~ January 23rd, 2020. I took over 3 months to get my Dentist appointment! And there's an enormous record of Prison Officials & Staff harassing, retaliating, tormenting, & torturing me both in my Grievance file & medical records. I've done a bunch of informal resolutions to no effect and when I write medical a whole bunch of times and can't get help, it's not my fault at all! And here it is March 3rd, 2020 and I am still injured with my lower & upper back, left testicle, right lower ribs, right knee, endless headaches, endless ringing/buzzing sound in both ears, my right nostril broken, my right hand, my right foot, etc. that all keeps me in constant pain & suffering!

Action Requested to resolve your Complaint:
 Protection from them PACE & CGO - IO352! Reinvestigation of Grievance #2019168957 properly, and grant my requested actions! Independent Oversight over Grievance System! Grievance System up to Federal Standard

I went all the way to Hospital Galveston from Michael Unit for an Orthopedic appointment and never saw anyone for my appointment at all? I've been injured due to Prison Officials & Staff assaulting me and battering me since February 13th, 2018 in several spots on/in my body and still haven't been helped all the way up til now and ongoing for my back and other injuries they caused me! I've been delayed a bunch of times and even denied proper medical care all the way til now and ongoing. I am forced to live in constant pain and all I've ever been given is Ibuprofen which is not even close to adequate for the multi site injuries I'm forced to live with because of hateful Prison Officials & Staff who hurt me on purpose!
